Liz Jackson joined FFP in October 2020, she has a dual role and acts as the Office Manager being responsible for the smooth running of the team and the office, as well as a Corporate Administrator where she deals with all aspects of client engagements and specialises in complex corporate structures, AML reviews and assists with the compliance function.

Liz attends to a broad range of client instructions / engagements including the incorporation of entities, Beneficial Ownership and Economic Substance reporting, and liaising with various regulatory agencies such as the Registrar of Companies. She is an integral part of the client facing team and her responsibilities vary depending on the clients' needs, from preparation of share registers, updating directors, drafting resolutions, processing transactions following sales, or mergers & acquisitions.

Prior to joining FFP, Liz was involved in retail management, distribution, marketing, and credit control for a distribution company in the Virgin Islands. Due to this extensive local knowledge and connections on island, Liz also takes the lead with executing key marketing deliverables; arranging events, organizing sponsorships / community investment projects and generally actively promoting the firm to the BVI network and our team members' connections.

Liz has a bachelor's degree in business science from the University of Cape Town. Her professional interests include complex corporate structures, project management, problem solving, refining processes, and improving efficiencies. She also acts as an independent director for an international company who have a branch in the BVI.

Liz recently completed the professional courses, an Introduction to Compliance and Introduction to Corporate Governance.
