David plays a vital role in supporting corporate trusts, funds, insolvency, and investment management team at FFP, providing key support in investigative case work, administrative tasks, and in the preparation of investor financial statements. He is actively involved in the day-to-day management of various entity portfolios, supporting a diverse range of clients.

David joined FFP in 2024 through the firm's graduate trainee program and has quickly demonstrated his adaptability, strong work ethic, and articulate communication skills.

David holds a bachelor's degree in Sports Management from Loughborough University. His diverse skill set and dedication to client success make him an integral part of the team.
